A proxy need not be a member of the Company.
2. A member must be registered as the holder of ordinary shares by 6 p.m. on Thursday 11 September 2014 in order to be entitled to attend and vote at the meeting as a member in respect of those shares. Changes to entries on the register of members after this time shall be disregarded in determining the rights of any member to attend or vote at the meeting.
3. Forms for the appointment of a proxy in respect of the meeting have been provided to members with this notice of meeting. To be valid, a proxy appointment form must be completed in accordance with the instructions that accompany it and then delivered (together with any power of attorney or other authority, if any, under which it is signed, or a certified copy of such item) to Computershare Investor Services PLC at The Pavilions, Bridgwater Road, Bristol BS99 6ZZ, United Kingdom so as to be received by no later than 11 a.m. on Thursday 11 September 2014. Alternatively, a member may appoint a proxy online by following the instructions for the electronic appointment of a proxy at www.eproxyappointment.com. To be a valid proxy appointment, the member's electronic message confirming the details of the appointment completed in accordance with those instructions must be transmitted so as to be received by the same time and date. Deposit of an instrument of proxy shall not preclude a member from attending and voting at the meeting.
4. CREST members who wish to appoint one or more proxies through the CREST system may do so by using the procedures described in "the CREST voting service" section of the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed one or more voting service providers, should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or a proxy instruction made using the CREST voting service to be valid, the appropriate CREST message (a "CREST proxy appointment instruction") must be properly authenticated in accordance with the specifications of CREST's operator, Euroclear UK & Ireland Limited ("Euroclear"), and must contain all the relevant information required by the CREST Manual. To be valid, the message (regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy) must be transmitted so as to be received by Computershare Investor Services PLC (ID 3RA50), as the Company's "issuer's agent", by no later than 11 a.m. on Thursday 11 September 2014. After this time any change of instruction to a proxy appointed through the CREST system should be communicated to the appointee through other means.

The time of the message's receipt will be taken to be when (as determined by the timestamp applied by the CREST Applications Host) the issuer's agent is first able to retrieve it by enquiry through the CREST system in the prescribed manner. Euroclear does not make available special procedures in the CREST system for transmitting any particular message. Normal system timings and limitations apply in relation to the input of CREST proxy appointment instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or a CREST sponsored member or has appointed any voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting service providers should take into account the provisions of the CREST Manual concerning timings as well as its section on "Practical limitations of the system". In certain circumstances the Company may, in accordance with the Uncertificated Securities Regulations 2001 or the CREST Manual, treat a CREST proxy appointment instruction as invalid.

5. A corporation which is a member may, by resolution of its directors or other governing body, appoint one or more persons in respect of different shares held by it, as its corporate representative to exercise all or any of his rights to attend and to speak and vote at the meeting. The corporate representative may be required before being permitted to exercise such powers to produce a certified copy of the resolution authorising him or such other evidence of his authority reasonably satisfactory to a director, secretary or some other person authorised by the secretary.
6. You may not use any electronic address (within the meaning of the Companies Act 2006) provided in this notice (or in any related documents including the chairman's letter and proxy form) to communicate with the Company for any purposes other than those expressly stated.

APPENDIX

Explanatory notes to 2014 AGM resolutions

Resolution 1- Adoption of the Annual Report

The directors will present the annual accounts and the report of the directors of the Company for the year ended 31 March 2014, together with the report of the auditors for adoption by the Company.

Resolutions 2 to 9 (inclusive) – Election and Re-election of Directors

In accordance with Rockhopper's articles of association, Keith Lough, Stewart MacDonald and John Summers, having been appointed to the board since the last annual general meeting, are obliged to retire at the Meeting and are eligible to stand for election as directors. They will therefore retire at the Meeting and will seek election by shareholders.

Additionally, Rockhopper's articles provide that at each annual general meeting one third of the directors who are subject to retirement by rotation shall retire from office. Notwithstanding this provision of the articles, all directors of the Company will stand for re-election at the Meeting. This accords with the UK Corporate Governance Code which provides that all directors of companies who form part of the FTSE 350 should be subject to annual re-election.

Brief biographical details of the directors seeking election and re-election can be found on page 15 of the Annual Report.

The board has concluded that all of the directors continue to be effective, showing commitment to their roles, and making the necessary time available for board and Committee meetings and other duties as required.

Resolution 10 – Appointment of auditor

Resolution 10 relates to the proposed re-appointment of KPMG LLP as the Company's auditor. The directors recommend the re-appointment of KPMG LLP as auditors to hold office from the conclusion of this meeting until the conclusion of the next general meeting at which accounts are laid before the company and seek authority to fix their remuneration.

Resolution 11 – Allotment of share capital

Resolution 11 will, if passed, provide your directors with flexibility to issue shares within the limits prescribed by the Association of British Insurers and the National Association of Pension Funds. It will authorise your directors to allot shares (i) under a pre-emptive offer by way of a rights issue corresponding to two-thirds of Rockhopper's issued ordinary share capital as at 15 August 2014 and (ii) under an open offer or in other situations corresponding to one-third of Rockhopper's issued ordinary share capital as at 15 August 2014. The authority will expire on 30 September 2015 or at the conclusion of the next annual general meeting whichever is earlier.

Resolution 12 – Disapplication of statutory pre-emption rights

Resolution 12 is proposed as a special resolution and renews broadly on the same terms the authority given at last year's annual general meeting enabling your directors (apart from offers or invitations to shareholders in proportion to their holdings of shares), to allot, for cash, an amount of the shares authorised for allotment under Resolution 11 above up to a maximum of 10% of Rockhopper's issued share capital as at 15 August 2014 without being required to comply with statutory pre-emption rights.

The purpose is to enable Rockhopper to take advantage of specific opportunities to raise additional finance quickly if required, and without the time, cost and expense of the Company having to produce a prospectus.

Resolution 13 – Authority for the Company to purchase its own shares

Following the Court approval of the cancellation of the Company's Share Premium Account in 2013, the distributable reserve arising would, subject to the consent of the Company's major creditors, be available to be distributed which would allow the Company to make purchases of its own ordinary shares in the market on such terms and in such manner as the board may determine. Accordingly, the Company is proposing to renew the authority which was taken at last year's annual general meeting which is due to expire at the conclusion of this Meeting.

In accordance with the Investment Management Association guidelines the authority sought will be limited to 10 per cent. of the Company's issued ordinary shares and the minimum price that may be paid for each ordinary share is 1 pence and the maximum price that may be paid for each ordinary share is an amount equal to 105 per cent. of the average of the middle market quotations for the ordinary shares as derived from the Daily Official List of the London Stock Exchange plc for the five business days immediately preceding the day on which such share is contracted to be purchased.

In the event that ordinary shares are purchased, they would either be cancelled (and the number of ordinary shares in issue would be reduced accordingly) or, in accordance with the Companies Act 2006, be retained as treasury shares. Holding treasury shares would give the Company the ability to re-allot shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its capital base.

As at 15 August 2014, the total number of options and Share Appreciation Rights over ordinary shares that were outstanding under the Company's share option and long term incentive plans was 7,272,906, which if all became fully vested and were exercised and were satisfied through the issue of new ordinary shares would represent 2.49 per cent. of the Company's issued ordinary share capital at that date. If the Company were to purchase its own ordinary shares to the fullest possible extent of the authority from shareholders being sought at the Meeting, the number of outstanding options and Share Appreciation Rights could potentially represent 2.77 per cent. of the issued ordinary share capital of the Company. The number of shares to be issued on the exercise of Share Appreciation Rights is dependent on the share price at the date of exercise. The Remuneration Committee also has the discretion to satisfy the exercise of Share Appreciation Rights in cash.

The directors have no immediate plans to make any purchase of the Company's shares but they would like to have the ability to act swiftly if circumstances arise where they consider that any such purchase would be desirable and appropriate. It is the directors' current intention that no decision regarding dividend payments or the purchase of the Company's own shares would be made before the Company has completed an evaluation of its medium-term funding requirements.
