Dear Shareholder,

As in previous years, Rockhopper’s management will give a short presentation at the Meeting to update shareholders on operational progress and we look forward to seeing as many of you as possible at the Meeting.

Formal notice of the Meeting (the “Notice”) is enclosed with this letter. The appendix to this letter provides explanatory notes to the resolutions in the Notice. Rockhopper’s Report and Accounts for the year ended 31 December 2017 are also enclosed for those shareholders who elected to receive a hard copy and are available on Rockhopper’s website www.rockhopperexploration.co.uk.

John Martin has indicated his intention to retire from the board of directors and will not be seeking re-election at the Meeting. On behalf of the board and shareholders, I would like to thank him for his contribution to the Company over the last two years.

A member who is entitled to attend and vote at the meeting is entitled to appoint another person, or two or more persons in respect of different shares held by him, as his proxy to exercise all or any of his rights to attend and to speak and vote at the meeting. A proxy need not be a member of the Company.
2. A member must be registered as the holder of ordinary shares by 6pm on Wednesday 16 May 2018 in order to be entitled to attend and vote at the meeting as a member in respect of those shares. Changes to entries on the register of members after this time shall be disregarded in determining the rights of any member to attend or vote at the meeting.
3. Forms for the appointment of a proxy in respect of the meeting have been provided to members with this notice of meeting. To be valid, a proxy appointment form must be completed in accordance with the instructions that accompany it and then delivered (together with any power of attorney or other authority, if any, under which it is signed, or a certified copy of such item) to Computershare Investor Services PLC at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom so as to be received by no later than 12 noon on Wednesday 16 May 2018. Alternatively, a member may appoint a proxy online by following the instructions for the electronic appointment of a proxy at www.eproxyappointment.com. To be a valid proxy appointment, the member's electronic message confirming the details of the appointment completed in accordance with those instructions must be transmitted so as to be received by the same time and date. Deposit of an instrument of proxy shall not preclude a member from attending and voting at the meeting.
4. CREST members who wish to appoint one or more proxies through the CREST system may do so by using the procedures described in "the CREST voting service" section of the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed one or more voting service providers, should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or a proxy instruction made using the CREST voting service to be valid, the appropriate CREST message (a "CREST proxy appointment instruction") must be properly authenticated in accordance with the specifications of CREST's operator, Euroclear UK & Ireland Limited ("Euroclear"), and must contain all the relevant information required by the CREST Manual. To be valid, the message (regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy) must be transmitted so as to be received by Computershare Investor Services PLC (ID 3RA50), as the Company's "issuer's agent", by no later than 12 noon on Wednesday 16 May 2018. After this time, any change of instruction to a proxy appointed through the CREST system should be communicated to the appointee through other means.

The time of the message's receipt will be taken to be when (as determined by the timestamp applied by the CREST Applications Host) the issuer's agent is first able to retrieve it by enquiry through the CREST system in the prescribed manner. Euroclear does not make available special procedures in the CREST system for transmitting any particular message. Normal system timings and limitations apply in relation to the input of CREST proxy appointment instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or a CREST sponsored member or has appointed any voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting service providers should take into account the provisions of the CREST Manual concerning timings as well as its section on "Practical limitations of the system". In certain circumstances the Company may, in accordance with the Uncertificated Securities Regulations 2001 or the CREST Manual, treat a CREST proxy appointment instruction as invalid.
5. A corporation which is a member may, by resolution of its directors or other governing body, appoint one or more persons in respect of different shares held by it, as its corporate representative to exercise all or any of his rights to attend and to speak and vote at the meeting. 6. You may not use any electronic address (within the meaning of the Companies Act 2006) provided in this notice (or in any related documents including the chairman's letter and proxy form) to communicate with the Company for any purposes other than those expressly stated.

Appendix

Explanatory notes to the 2018 AGM resolutions

Resolution 1 – Adoption of the accounts and reports of the directors

The directors will present the accounts and the reports of the directors of the Company for the year ended 31 December 2017 (the 'Report'), together with the report of the auditors for adoption by the Company.

Resolutions 2 to 7 (inclusive) – Re-election of directors

Rockhopper's articles provide that, at each annual general meeting, one third of the directors who are subject to retirement by rotation shall retire from office. Notwithstanding this provision of the articles, all directors of the Company will stand for re-election at the Meeting with the exception of JE Martin who has indicated his intention to step down from the board of directors prior to the AGM.

Brief biographical details of the directors seeking re-election can be found on pages 30 and 31 of the Report.

The board has concluded that all of the directors standing for re-election continue to be effective, showing commitment to their roles, and making the necessary time available for board and committee meetings and other duties as required.

Resolution 8 – Re-appointment of auditor

Resolution 8 relates to the proposed re-appointment of KPMG LLP as the Company's auditor. The directors recommend the re-appointment of KPMG LLP as auditors to hold office from the conclusion of this meeting until the conclusion of the next general meeting at which accounts are laid before the company and seek authority to fix their remuneration.

Resolution 9 – Authority to allot shares

Resolution 9 will, if passed, provide your directors with flexibility to issue shares within the limits prescribed by the Investment Association. It will authorise your directors to allot ordinary shares up to a maximum nominal amount of £1,524,469 representing approximately one third of Rockhopper's issued ordinary share capital as at 18 April 2018. It will also authorise your directors to allot (including ordinary shares referred to in paragraph (a) of Resolution 9) ordinary shares in connection with a pre-emptive offer by way of a rights issue to ordinary shareholders up to a maximum nominal amount of £3,048,938 representing approximately two thirds of Rockhopper's issued ordinary share capital as at 18 April 2018. The authority will expire on 30 June 2019 or at the conclusion of the next annual general meeting whichever is earlier.

Resolution 10 – Disapplication of statutory pre-emption rights

Resolution 10 is proposed as a special resolution and renews the authority given at last year's annual general meeting enabling your directors (apart from offers or invitations to shareholders in proportion to their holdings of shares) to allot, for cash, an amount of the shares authorised for allotment under Resolution 9 above up to a maximum of 10% of Rockhopper's issued share capital as at 18 April 2018 without being required to comply with statutory pre-emption rights.

The purpose is to enable Rockhopper to take advantage of specific opportunities to raise additional finance quickly if required, and without the time, cost and expense of the Company having to produce a prospectus.

Resolution 11 – Authority for the Company to purchase its own shares

Following the Court approval of the cancellation of the Company's Share Premium Account in 2013, the distributable reserve arising would, subject to the consent of the Company's major creditors, be available to be distributed which would allow the Company to make purchases of its own ordinary shares in the market on such terms and in such manner as the board may determine. Accordingly, the Company is proposing to renew the authority taken at last year's annual general meeting which is due to expire at the conclusion of this Meeting.

In accordance with the Investment Association guidelines the authority sought will be limited to 10 per cent. of the Company's issued ordinary shares and the minimum price that may be paid for each ordinary share is 1 pence and the maximum price that may be paid for each ordinary share is an amount equal to 105 per cent. of the average of the middle market quotations for the ordinary shares as derived from the Daily Official List of the London Stock Exchange plc for the five business days immediately preceding the day on which such share is contracted to be purchased.

In the event that ordinary shares are purchased, they would either be cancelled (and the number of ordinary shares in issue would be reduced accordingly) or, in accordance with the Companies Act 2006, be retained as treasury shares. Holding treasury shares would give the Company the ability to re-allot shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its capital base.

As at 18 April 2018, the total number of Share Appreciation Rights and options over ordinary shares in the form of awards under the Long Term Incentive Plan that were outstanding under the Company's share schemes was 14,667,397, which if all became fully vested and were exercised and were satisfied through the issue of new ordinary shares would represent 3.11 per cent. of the Company's issued ordinary share capital at that date. If the Company were to purchase its own ordinary shares to the fullest possible extent of the authority from shareholders being sought at the Meeting, the number of outstanding Share Appreciation Rights and options could potentially represent 3.44 per cent. of the issued ordinary share capital of the Company. The number of shares to be issued on the exercise of Share Appreciation Rights is dependent on the share price at the date of exercise. The Remuneration Committee also has the discretion to satisfy the exercise of Share Appreciation Rights and options in cash.

The directors have no plans to declare a dividend or purchase any of the Company's shares but they would like to have the ability to act swiftly if circumstances arise where they consider that any such action would be desirable and appropriate. Any decision regarding dividend payments or the purchase of the Company's own shares would require approval of the Falkland Islands Government under the terms of the Deed of Settlement under which Rockhopper deferred the tax liability arising from its 2012 farm-out to Premier Oil.
