Shareholders who are entitled to attend and vote at the AGM may do so in person, by proxy or by corporate representative. Shareholders who appear on the register of members should have received their proxy form by post or a voting instruction email for online voting. Those who hold their shares through a nominee account may have to contact the intermediary through whom the shares were purchased. Shareholders can contact the Registrar, Computershare Investor Services ('Computershare') on 0370 707 1268 to confirm if their name appears on the share register. There is no pre-booking of places or advanced registration.

i. shareholders whose shares are registered in their own name – please bring with you the attendance card which is attached to the proxy card.

ii. shareholders whose shares are registered in a nominee name – please contact the nominee company to obtain a letter of representation which must be brought to the AGM. The letter must be on the relevant nominee's official letterhead confirming that the individual(s) is/are the beneficial owner(s) of [x] number of shares held within the nominee account and is/are entitled to attend the AGM to be held on 18 May 2018 and to speak and vote in respect of that shareholding. It is recommended that underlying shareholders contact the nominee well in advance of the meeting and send a copy of the proposed letter of representation to Computershare (email Penny.Kapp@computershare.co.uk) so that they can check that it is in order. It is also possible to ask the nominee company to register you as a third party on Rockhopper's share register, which will enable you to attend the meeting without a letter of representation.

iii. shareholders who are unable to attend the meeting but wish to appoint one or more proxies – you may appoint one or more proxies in respect of different shares held by you (i) by completing and returning the hard copy proxy form sent to you, (ii) by making an appointment online, or (iii) by making an appointment through the CREST system. Whichever method you choose, you should complete your proxy appointment in accordance with the notes to the AGM Notice and ensure that it is returned or transmitted to the relevant address indicated in the notice so as to be received by 12 noon on Wednesday 16 May 2018. The named proxy should bring identification to the meeting.

Individuals who are not in possession of the requisite documentation may not be permitted to attend the meeting.

iv. corporate shareholders wishing to appoint one or more representatives – a corporate shareholder may authorise any person or persons to act as its representative or representatives at the AGM. Each representative should bring with him a certified copy of the resolution of the directors of the corporate shareholder (or other governing body) authorising him to act.
