To the holders of Ordinary Shares and, for information only, to the holders of options over Ordinary Shares of Rockhopper Exploration plc ("Rockhopper").

Dear Shareholder,

2021 Annual General Meeting – Tuesday 29 June 2021

I am writing to you with details of the arrangements for the 2021 Annual General Meeting ("AGM") which is to be held on Tuesday 29 June 2021 at 9.30am.

AGM attendance

The Board had anticipated being able to welcome shareholders in person to the 2021 AGM following last year's AGM which we were obliged to hold as a closed meeting due to the COVID-19 pandemic. The Board has considered carefully what arrangements should be made for the AGM in light of the current COVID-19 legislation and public health guidance issued by the UK Government, which currently restricts, amongst other things, public gatherings and travel, and the Government's expected roadmap out of Lockdown. At the time of publication of this Notice, it is not possible for the Board to predict with certainty what, if any, Government restrictions on public meetings will be in place on the date scheduled for the AGM.

The Board believes that, notwithstanding the current plan for the relaxation of Government restrictions on the holding of events, a cautious approach to situations that appear to carry a higher COVID-19 transmission risk (particularly indoor events) will remain necessary for some time to come. On the basis of current Government plans, the Board is proposing to hold the AGM as an open meeting. We need however to consider the safety and wellbeing of our employees, shareholders and the wider community at this time and, consistent with most other UK listed company AGMs taking place at this time, **we encourage shareholders and corporate representatives not to attend in person but instead be represented by the Chair of the AGM acting as their proxy.** Further details regarding how to vote by proxy are set out below. We are closely monitoring the ongoing COVID-19 situation and, if the position changes, we will communicate any updates on our website at www.rockhopperexploration.co.uk and, where appropriate, through an announcement to the market, before the AGM.

At the AGM, the Company will conduct the formal business of the AGM which will include tabling the resolutions set out in the Notice of Meeting and conducting voting on the resolutions by way of a poll. For safety reasons, a bare minimum of Directors will be in attendance at the AGM to form a quorum and to conduct the business of the meeting. There will be no presentations on the Company's business and no refreshments will be available. Instead, the Board will arrange for a presentation to be made available on the Company's website at www.rockhopperexploration.co.uk on the morning of the AGM.

Questions

The Board recognises that the AGM is an opportunity for shareholders to ask questions of the Board in relation to the business of the AGM and the Company's activities. Given the Board's request for shareholders not to attend the meeting in person, we would like to invite shareholders to submit questions in advance of the meeting via email to info@rockhopperexploration.co.uk or in writing to the Company's registered office. Any questions should be submitted by the close of business on 23 June 2021.

Voting at the AGM

Shareholders wishing to vote on any of the matters of business at the AGM are encouraged to submit their votes in advance of the meeting through the proxy and electronic voting facilities and are advised to appoint the Chair of the meeting (rather than a named individual) as their proxy for this purpose. This will ensure that your vote will be counted if ultimately you (or any proxy you might otherwise appoint) are unable to attend the meeting. To be valid, the proxy appointment form must be received at the address for delivery specified in the notes to the Notice by no later than 9.30am on Friday 25 June 2021.

All resolutions will be decided on a poll to be called by the Chair of the Meeting. This reflects current best practice and ensures that shareholders who have appointed the Chair of the Meeting as their proxy have their votes fully taken into account. The results will be published on the Company's website and will be released to the London Stock Exchange as soon as practicable following the conclusion of the Meeting.

Future meetings

We plan to hold a retail investor meeting on Thursday 30 September 2021, circumstances permitting, which will give shareholders the chance to meet and question the Board in person. We will post details on the Company's website in due course.

Formal notice of the AGM (the "Notice") is enclosed with this letter. Appendix 1 to this letter provides explanatory notes to the resolutions in the Notice. Rockhopper's Report and Accounts for the year ended 31 December 2020 are also enclosed for those shareholders who elected to receive a hard copy and are available on Rockhopper's website www.rockhopperexploration.co.uk.

Recommendation

Your Directors consider all the resolutions to be put to the Meeting to be in the best interests of Rockhopper and its shareholders as a whole and accordingly unanimously recommend that you vote in favour of them as they intend so to do in respect of their own beneficial shareholdings.

Yours faithfully,

Keith Lough
Non-Executive Chairman

Notes

1. A member who is entitled to attend and vote at the meeting is entitled to appoint another person, or two or more persons in respect of different shares held by him, as his proxy to exercise all or any of his rights to attend and to speak and vote at the meeting. A proxy need not be a member of the Company.
2. A member must be registered as the holder of ordinary shares by 6pm on Friday 25 June 2021 in order to be entitled to attend and vote at the meeting as a member in respect of those shares. Changes to entries on the register of members after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting.
3. Forms for the appointment of a proxy in respect of the meeting have been provided to members with this notice of meeting. To be valid, a proxy appointment form must be completed in accordance with the instructions that accompany it and then delivered (together with any power of attorney or other authority, if any, under which it is signed, or a certified copy of such item) to Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds LS1 4DL, United Kingdom so as to be received by no later than 9.30am on Friday 25 June 2021. We strongly encourage you, where possible, to submit your Form of Proxy appointing the Chair of the meeting as proxy electronically in the event that: (i) there are delays in or suspension of the postal service; or (ii) Link's offices are closed as a result of COVID-19.
4. You may cast your vote electronically by logging on to www.rockhopper-shares.com and following the instructions in order to submit your proxy appointment online. Votes will need to be cast no later than 9.30am on Friday 25 June 2021.
5. CREST members who wish to appoint one or more proxies through the CREST system may do so by using the procedures described in "the CREST voting service" section of the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed one or more voting service providers, should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or a proxy instruction made using the CREST voting service to be valid, the appropriate CREST message (a "CREST proxy appointment instruction") must be properly authenticated in accordance with the specifications of CREST's operator, Euroclear UK & Ireland Limited ("Euroclear"), and must contain all the relevant information required by the CREST Manual. To be valid, the message (regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy) must be transmitted so as to be received by Link Group (ID RA10), as the Company's "issuer's agent", by no later than 9.30am on Friday 25 June 2021. After this time, any change of instruction to a proxy appointed through the CREST system should be communicated to the appointee through other means. The time of the message's receipt will be taken to be when (as determined by the timestamp applied by the CREST Applications Host) the issuer's agent is first able to retrieve it by enquiry through the CREST system in the prescribed manner. Euroclear does not make available special procedures in the CREST system for transmitting any particular message. Normal system timings and limitations apply in relation to the input of CREST proxy appointment instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or a CREST sponsored member or has appointed any voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting service providers should take into account the provisions of the CREST Manual concerning timings as well as its section on "Practical limitations of the system". In certain circumstances the Company may, in accordance with the Uncertificated Securities Regulations 2001 or the CREST Manual, treat a CREST proxy appointment instruction as invalid.
6. You may not use any electronic address (within the meaning of the Companies Act 2006) provided in this notice (or in any related documents including the Chairman's letter and proxy form) to communicate with the Company for any purposes other than those expressly stated.

Appendix 1

Explanatory notes to the 2021 AGM resolutions

Resolution 1: 2020 Annual Report and Financial Statements

The Companies Act 2006 requires the Directors of a public company to lay before the Company in general meeting the annual report and accounts for each financial year. The Directors therefore request that shareholders receive the Annual Report and Financial Statements for the year ended 31 December 2020, including the reports of the Directors and the Auditor ("Annual Report").

Resolutions 2 to 6: Re-election of Directors

Rockhopper's Articles of Association provide that, at each Annual General Meeting, one third of the Directors who are subject to retirement by rotation shall retire from office. Notwithstanding this provision of the Articles, all the Directors of the Company will stand for re-election at the Meeting.

Biographical details of the Directors seeking re-election can be found on pages 22 and 23 of the Annual Report.

The Board has concluded that each Director standing for re-election continues to make an effective and valuable contribution and demonstrates commitment to the role making the necessary time available for Board and Committee meetings and other duties as required.

Further details can be found in the Governance Report in the Annual Report.

Resolution 7: Re-appointment and remuneration of the Auditor

Resolution 7 relates to the proposed re-appointment of PricewaterhouseCoopers LLP as the Company's Auditor. The Directors recommend the re-appointment of PricewaterhouseCoopers LLP as Auditor to hold office from the conclusion of the Meeting until the conclusion of the next general meeting at which accounts are laid before the company and seek authority to fix their remuneration.

Resolution 8: Authority to allot shares

Resolution 8 will, if passed, provide your Directors with flexibility to issue shares within the limits prescribed by the Investment Association. It will authorise your Directors to allot ordinary shares up to a maximum nominal amount of £1,528,273 representing approximately one third of Rockhopper's issued ordinary share capital as at 1 June 2021. It will also authorise your Directors to allot (including ordinary shares referred to in paragraph (a) of Resolution 8) ordinary shares in connection with a pre-emptive offer by way of a rights issue to ordinary shareholders up to a maximum nominal amount of £3,056,547 representing approximately two thirds of Rockhopper's issued ordinary share capital as at 1 June 2021. The authority will expire on 30 June 2022 or at the conclusion of the next Annual General Meeting whichever is earlier.

Resolution 9: Disapplication of statutory pre-emption rights

Resolution 9 is proposed as a special resolution and renews the authority given at last year's Annual General Meeting enabling your Directors (apart from offers or invitations to shareholders in proportion to their holdings of shares) to allot, for cash, an amount of the shares authorised for allotment under Resolution 8 above up to a maximum of 10 per cent of Rockhopper's issued share capital as at 1 June 2021 without being required to comply with statutory pre-emption rights.

The purpose is to enable Rockhopper to take advantage of specific opportunities to raise additional finance quickly if required, and without the time, cost and expense of the Company having to produce a prospectus.

Resolution 10: Authority for the Company to purchase its own shares

Following the Court approval of the cancellation of the Company's Share Premium Account in 2013, the distributable reserve arising would, subject to the consent of the Company's major creditors, be available to be distributed which would allow the Company to make purchases of its own ordinary shares in the market on such terms and in such manner as the Board may determine. Accordingly, the Company is proposing to renew the authority taken at last year's Annual General Meeting which is due to expire at the conclusion of this Meeting.

In accordance with the Investment Association guidelines the authority sought will be limited to 10 per cent of the Company's issued ordinary shares and the minimum price that may be paid for each ordinary share is 1 pence and the maximum price that may be paid for each ordinary share is an amount equal to 105 per cent of the average of the middle market quotations for the ordinary shares as derived from the Daily Official List of the London Stock Exchange plc for the five business days immediately preceding the day on which such share is contracted to be purchased.

In the event that ordinary shares are purchased, they would either be cancelled (and the number of ordinary shares in issue would be reduced accordingly) or, in accordance with the Companies Act 2006, be retained as treasury shares. Holding treasury shares would give the Company the ability to re-allot shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its capital base.

The Directors have no plans to declare a dividend or purchase any of the Company's shares but they would like to have the ability to act swiftly if circumstances arise where they consider that any such action would be desirable and appropriate. Any decision regarding dividend payments or the purchase of the Company's own shares would require approval of the Falkland Islands Government under the terms of the Deed of Settlement under which Rockhopper deferred the tax liability arising from its 2012 farm-out to Premier Oil.
